Important Things to Remember: Expect to travel 30-40 minutes to get to the wolf pack area. In order to limit impact on wolves and nearby residents, we will be traveling in a school bus. For maximum comfort, dress in layers of “quiet “ clothing; hats, mittens, warm boots, hand warmers, etc. We will be out of the bus both walking and standing still, possibly for long periods of time, so please be prepared for the cold. *If you have a severe cold, asthma, or bronchitis, you may want to stay in the bus. No smoking is allowed outside or inside of the bus. Please refrain from using perfumes. Unless otherwise instructed, you must stay with the entire group at all times. Thank you.
